

POLICY ON POSTERS AND ANNOUNCEMENTS

Space permitting, the Spirit Lake Public Library will post announcements of organizations engaged in educational, cultural, intellectual, or charitable activities. The following guidelines apply:

Posters, notices, and material for distribution will be submitted to the librarian at the circulation desk. Nothing may be posted or removed from the bulletin board except by library staff.

The library will not post advertising literature, business cards, petitions, or fund solicitation for private businesses or individuals. The library will not act as an agent to sell any material for other organizations.

Posting of notices and distribution of material does not imply endorsement by the library.

Final decisions of what to post in the library will be made by the director.
