

SNOW STORM POLICY

In order to provide the best service, the Spirit Lake Public Library will remain open whenever possible. The library is, however, concerned about the safety of its employees, volunteers and patrons. During extreme weather conditions, the library may close or delay opening. The library director may consult with the board president, other board members, or the city administrator. Any closings will be announced on KUOO and the library's social media sites. All full-time and salaried staff may work from home with the approval of the library director for a partial or full day of their regularly scheduled hours.
